

**What people are saying about  
The LeaderShape® Institute...**  
(in 2001)

"We all dream about changing the world. LeaderShape gave me the tools to make that a reality."

Tyson Wood  
Salt Lake City Community College

"LeaderShape taught me that my gift is myself. I've never before felt as appreciated and as valuable as when I attended LeaderShape."

Chad Smith  
University of North Carolina-Charlotte

"Prior to LeaderShape I was extremely shy and quiet, as well as completely unsure of the direction I should head in life. Thanks to the LeaderShape process, I have been changed for the better. My outer shell has been cracked, and I am now more outgoing. I have been trying new things that I would have otherwise avoided."

Corinne Vendetta  
College of DuPage

"I truly had a wonderful experience at LeaderShape. I feel completely different. Any amount of complacency that lingered in my bones has been sucked out. Not only do I feel motivated to accomplish my vision, I want to do all sorts of good things for all sorts of people. I really want to help people."

“Spending six days at The Institute was a life changing experience just as it was advertised to me. I developed a sense of leadership and integrity that will allow me and other participants to shape the world in the coming future. Thank you for giving me the opportunity to affect so many people’s lives for the better and for giving me the chance to show what I can do as a leader in the future world.”

Srikanth Sridhar  
University of Texas-Austin

“The experience was out of the world! I learned so much, not only about leadership, but about myself as well. This program has had the greatest effect on me as a leader. I have never been so enthusiastic about anything after previous leadership conferences.”

Andy Schweickert  
University of Illinois

“LeaderShape taught me to dream big. It helped me create a clearer picture of the future I will help to create, not just for my school but also for the world. I am truly grateful for the experience. Thank you!”
